

The Norwegian Zebrafish Platform

PROGRAM FOR THE ZNN 2009 MEETING

ZNN Conference 2009, November 12-13

ZNN Annual meeting / Board meeting 2009 November 14

ZNN *zebrafish.no phd course* 2009 (4 ECTS), November 12-20

1) Quality Airport Hotel Gardermoen November 12-14

2) NVH Campus Adamstuen November 15-20

The ZNN Annual meeting will consist of Workshop Session 1, dealing with various aspects of zebrafish husbandry and will be open for all.

The PhD course will include all conference lectures, workshop sessions WS1-5, Journal Club sessions JC1-4 and practical training LAB1-5. The Lab course is limited to 10 participants, but it is possible to participate only in the theoretical parts of the course (2 ECTS).

November 12, ZNN Conference 2009

- 11-13 Registration & Lunch
- 1300 Peter Aleström, NVH. Welcome to ZNN2009.
- 1310 Mona Aleksandersen, Zebrafish Platform Board, NVH: Opening address 1
Monica Bergem, RCN FUGE Program: Opening address 2
- 1330 **Zoltan Varga**, Zebrafish International Resource Center (ZIRC), University of Oregon (FUGE East Lecture): Location, Location, Location: The 25 000 Genetic Loci of the Zebrafish (*Danio rerio*) Genome and Their Corresponding Real Estate in a Cryogenic Repository.
- 1430 COFFEE/TEA
- 1500 **Torbjørn Rognes**, University of Oslo: Next generation sequencing bioinformatics.
- 1600 **Sinnakaruppan Mathavan**, Genome Institute of Singapore (FUGE East Lecture): RNA sequencing: a revolutionary tool for zebrafish transcriptomics.
- 1700 POSTERS, EXHIBITION, WINE & SNACKS
- 2000 DINNER

November 13, ZNN Conference 2009

- 07-09 Breakfast & check-out hotel (for those not participating 14 Nov.)
- 0900 **Zhiyuan Gong**, National University of Singapore (FUGE East Lecture): The zebrafish model in cancers and environmental science.
- 1000 **Joachim Wittbrodt**, University of Heidelberg; EMBL Heidelberg; Institute for Toxicology and Genetics, KIT Karlsruhe: Seeing is believing - from eye morphogenesis to the digital embryo.
- 1100 POSTERS, EXHIBITION, LUNCH (check-out hotel for those not participating 14 Nov.)
- 1300 **Philippe Collas**, University of Oslo: Epigenetic states in zebrafish embryos and cultured cells
- 1400 **Marc Müller**, University of Liege: Small fish as model systems for space physiology.
- 1500 Closing address: Ståle Ellingsen, NIFES.
- 1515 Conference Departure
- 1600 ZNN Community Meeting
- 2000 ZNN Community Dinner (for all participating the 14 Nov.)

November 14, ZNN Annual Meeting

- 07-0830 Breakfast & check-out hotel
- 0830 **Workshop session 1: Husbandry (AAALAC accreditation, breeding programs & database, cryopreservation of sperm, Medaka and other non-zebrafish models, ELSA issues).**
- 1200 Lunch (end of meeting for PhD students & technicians/engineers)
- 1300-1500 ZNN PI meeting (to constitute a ZNN Board)
